

Sedona Westerners Hike Sign-In

Hike: _____ Group: _____

Date: _____ Suggested Shared Cost: \$ _____

Leader: _____ Co-leaders: _____

By signing below, I agree that the Sedona Westerners and the members thereof will NOT be liable for any injury, accident, illness, or loss that I may sustain participating in the trip and/or hike. I understand that I hike at my own risk. **I have executed a Release of Liability waiver statement for this year and have read, and agree to abide by, the hiking rules and COVID-19 related information on the Westerners website.** I am aware that the Sedona Westerners and its members cannot and will not assume any responsibility for my safety arriving at the destination and the return trip. I agree to travel or carpool at my own risk. **Please sign legibly.**

Hiking Rules:

- DO NOT HIKE if you are sick or experiencing fever or flu-like symptoms.
- Everyone hiking today must sign the hike register and must have completed and signed a waiver.
- Photos and GPS tracking are allowed on hikes; however, publishing photos with location data, maps, tracks, or coordinates, or identifying sensitive areas such as ruin sites and rock art, is strictly prohibited. This restriction includes print media and internet web sites. Set GPS tracking and trail mapping app to private, not public.
- HIKERS MUST:
 - Practice a Leave-No-Trace policy, avoid sensitive soil, and respect wildlife.
 - Have sufficient water (at least two liters, more on hot days), and wear lug-soled hiking boots.
 - Stay between the leader and tailgater at all times.
 - Silence cell phones and refrain from using them while hiking except for taking photos and using tracking apps. In case of an emergency, use phones only with the Leader's consent.
 - Notify the Leader immediately of illness, injury, or any special medical needs.
- All hikers are expected to complete hikes. In the case of illness or injury, a hiker may leave the hike with the consent of the Leader if accompanied by two people, at least one of whom knows the trail.
