I. Proposed addition of a hiking group

Mary McCaffrey raised the question of adding an additional Saturday hike group. The interest comes from within the club. The issue was considered at a meeting of the hike bosses and has their support. The hikes would last between four and five hours and be roughly at the level of the Drover hikes. A motion was made to the Executive Committee by Debby Losse and seconded by Al Vander Peut. The motion carried.

Motion: Resolved to add an additional Saturday hike group to be called the Rustlers, with the following parameters: These hikes, on every Saturday, are usually 3-6 miles long and rated moderate, although in some instances include steep climbs, rock-scrambling, and small ledges. They nearly always have as their objective interesting viewpoints or natural features.

Since the motion represents an addition to the bylaws, it will be placed before the General Meeting of the Sedona Westerners in September and be voted on at the Fall Picnic.

II. Changes in tax laws for non-profits

Top Hand Clint Gelotte explained that a change in tax laws concerning non-profits has led the Sedona Westerners to file with the IRS in accordance with the change.

The meeting was adjourned at 12:10PM.

Respectfully submitted,

Deborah Losse, Wrangler
